GEH Strategic Objectives

We believe that exceptional care can be delivered by striving to reach the following:

1. Constantly deliver safe high quality care.

2. Enhance patient experience by providing local care tailored to the individual needs of the patient.

3. Develop partnership arrangements to promote and deliver a comprehensive range of value for money integrated services to protect and improve the health of the local community.

4. Empower, develop and support our staff to encourage positive leadership at every level.

5. Maintain financial stability, hit all agreed targets and satisfy our regulators.
